APPLIED LEARNING THROUGH SERVICE

"Service-Learning is a form of experiential education in which students engage in activities that address human and community needs together with structured opportunities for reflection designed to achieve desired learning outcomes." (Dr. Barbara Jacoby, *Service-Learning in Higher Education*, 1996) Accordingly, key principles of Service-Learning are reflection and reciprocity.

The Student Learning Outcomes for Practicum 096: Community Service & Learning are:

- Increase awareness of community assets and needs
- Enhance sense of civic responsibility
- Strengthen critical thinking/problem-solving skills through critical reflection
- Increase self-confidence and competence
- Promote leadership development
- Explore skills needed to advocate for themselves and others

➤ COMPLETING REFLECTION QUESTIONS ON BLACKBOARD

The weekly reflection questions on Blackboard are intended to encourage thoughtful reflection on your service this semester, to help you connect your *service* with your *learning*. Please note the following requirements:

- All **10** reflection questions posted on Blackboard are required to be completed over the duration of the semester.
- Each reflection response must be a minimum of 100 words in length in order for full credit to be given.
- The submission deadlines for all questions are indicated in the chart.
- Students must click "**SUBMIT**" for their entry to be received and for full credit to be given. Clicking "SAVE" will not submit the entry to Blackboard, and no credit can be given for these entries.
- To ensure that your question has been submitted correctly, click on "My Grades" in Blackboard. These icons represent the status of your submission:

Check mark: You have successfully completed the Survey (Reflections 1 and 10). The survey is anonymous. You will see a check mark by your name after it is completed instead of a point value.

Green exclamation point: You have successfully "SUBMITTED" your Blackboard response. If the entry meets the length requirements (at least 100 words), you will receive full credit for this response after it is graded.

Clipboard: You have "Saved" your response but **NOT** submitted it to Blackboard. No credit will be given to "SAVED" responses. Return to your response, open it, and click "SUBMIT."
