■ Shaded areas denote suggested semester for course completion

NOTE: This suggested planning guide is NOT intended to serve as an official articulation agreement. Please review backside information for further details on course requirements. See your MC counselor and/or a UMBC-Shady Grove program representative for more information.

General UMBC Notes:

- UMBC requires a minimum of 120 credits and a minimum 2.0 GPA for graduation
- Students may transfer a maximum of 60 credits from a two-year school and up to 90 credits from a four-year school to UMBC.
- Once enrolled in a degree program at UMBC, courses listed in ARTSYS may no longer apply. Students will need to check with their advisors and complete a Verification of Transferability form in order to ensure proper transfer of coursework.
- **World Language Requirement** - A single language through the 201-level; exemptions based on proof of completion of Level 4 of a language in high school or results of a language proficiency exam. Students may demonstrate foreign language proficiency through other methods. Please see your academic advisor for more information. If exempt, take a general elective in place of language courses.
- **Physical Education Requirement** - UMBC requires that all students complete two Physical Education activity courses, with some exceptions: students who are 30 years of age or older at the time they begin their studies at UMBC and/or students who have served in the military (must submit copies of their DD-214 paperwork to Office of the Registrar). Students with medical reasons for exemption should contact their Program Director at UMBC. PE credits are not counted towards the final 120 academic credits required by UMBC. However, MC's Personalized Health Fitness course includes a physical activity portion, therefore 1.5 credits fulfill 1 PE requirement and 1.5 credits will transfer as elective credits.

Specific Social Work Program Notes:

- Students need a minimum 2.5 GPA to enter the Social Work program at Shady Grove and must maintain at least a 2.5 GPA in order to enter their field placement (internship).
- Students completing a Social Work major must complete a minor. The minor options at Shady Grove are Psychology, Sociology, Political Science, or History. Students may consider taking courses in these areas as electives.
- No grade lower than a "C" in any Social Work course will be counted toward the Social Work major.

If you have questions or would like more information about UMBC's Social Work Program at Shady Grove, please contact Ms. Katie Morris, LCSW-C, Program Director, at kath@umbc.edu or 301-738-6312.
