NOTE: This suggested pathway is NOT intended to serve as an official articulation agreement. Please review the next page for further details on course requirements. See your FCC counselor and/or a UMBC-Shady Grove program representative for more information.

General UMBC Notes:

- UMBC requires 120 credits for graduation; the final 30 credits may not be transferred from an outside institution.
- Students may transfer a maximum of 60 credits from a two-year school to UMBC.
- Once enrolled in a degree program at UMBC, courses listed in ARTSYS may no longer apply. Students will need to check with their advisors and complete a Verification of Transferability form in order to ensure proper transfer of coursework.
- **Math Requirement** - MA 103 or 105 will only fulfill the UMBC GEP Mathematics requirement if a student completes the course with a C- or better prior to transferring to UMBC.
- **World Language Requirement** - A single language through the 201-level; exemptions based on proof of completion of Level 4 of a language in high school or results of a language proficiency exam. Students may demonstrate foreign language proficiency through other methods, see: <http://www.umbc.edu/ml/gfrs.html>. If exempt, take a general elective in place of language courses.
- **Physical Education Requirement** - UMBC requires that all students complete two Physical Education activity courses, with some exceptions: students who are 30 years of age or older at the time they begin their studies at UMBC and/or students who have served in the military (must submit copies of their DD-214 paperwork to Office of the Registrar). Students with medical reasons for exemption should contact their Program Director at UMBC. PE credits are not counted towards the final 120 academic credits required by UMBC.

Specific History Program Notes:

- The required World History/East Asian course is not available at FCC. Please speak with your advisor to discuss options for completing this prerequisite (available at MC-Germantown, UMBC-Catonsville, etc).
- HIST 201 is a prerequisite for HIST 496 or 497 and should be taken during your first year after transfer to UMBC.
- Students can earn up to three credits for an internship (HIST 391). An internship is not required for the History major; however, students may count up to 3 credits of HIST 391 toward the 39 credits required for history majors.
- No grade lower than a "C" in any course will be counted toward the required 39 total credits for the history major.
