

NEW YEAR – NEW OPPORTUNITIES

2017 WINTER SESSION JANUARY 3-27

This winter, stay on track to graduate on time (or early) and move one step closer to starting your career.

- Focus on a single class or subject
- Earn up to 4.5 credits towards your degree
- Complete a required course
- Boost your GPA and build your transcript
- Lighten your spring course load
- Take an online or hybrid class for extra flexibility

This preliminary schedule of classes offers an overview of courses, dates, and costs to help you plan for Winter Session 2017.

For complete details, visit umbc.edu/winter.

Inclement Weather Policy

If classes are cancelled due to a university closing, the official make-up day is the first Saturday following the cancelled class. Instructors may also choose to reschedule classes on an alternate make-up day.

e2Campus Alerts

Sign-up for e2Campus, an emergency alert text messaging system that notifies subscribers of any campus related emergency (such as a potential safety hazard or campus closure). See **umbc.edu/winter** for more information.

Holiday Make-Up Schedule

UMBC is closed on **Monday, January 2** (New Year's Holiday) and **Monday, January 16** (Martin Luther King, Jr. Holiday). Classes meeting on Mondays may be rescheduled by the instructor to make up missed class time.

REGISTRATION

Registration for winter session begins October 24.

If you are a current UMBC student enrolled in the fall, you are eligible to enroll. Advising is not required, but highly recommended. Visiting students from other institutions must first be admitted to UMBC. See **umbc.edu/winter** for more information.

SCHEDULE ADJUSTMENT (JANUARY 3-6)

Add, drop, or swap a course during the first four days of the session. If the class has already met, check with the instructor before adding a course to see if you can make up the missed class time.

Drop Courses

Courses dropped after January 6 are considered an attempt, and your transcript will record a "W" for the dropped course. Tuition/fees are fully refunded if you drop a course on or before January 3. After January 3, tuition/fee refunds are pro-rated based on the date the course is dropped. No refunds are provided for courses dropped after January 6.

Course Drop Date	Tuition & Fee Refund %
By January 3	100%
January 4	75%
January 5	50%
January 6	25%

Swap Courses

During Schedule Adjustment, courses with the same number of credits can be swapped without academic or financial penalty. If the class you want to add has already met, check with the instructor first to see if you can make up the missed class time.

Closed Courses & Waitlists

If a course is full, place your name on the waitlist. Eligible students are automatically enrolled according to their position on the list if a seat becomes available. After December 30, the waitlists are disabled, and students are no longer automatically enrolled. Check with the instructor or the Office of Summer & Winter Programs for seat availability.

Some courses may have additional fees (such as lab or materials fees) which are noted in the schedule of classes. A non-refundable \$20 late registration fee is assessed when students register on the first day of the session or later.

Visiting students taking winter session courses must submit a non-refundable \$50 application fee when applying to UMBC.

For graduate tuition rates, visit umbc.edu/winter.

This information reflects the proposed tuition and fees at the time of publication. Notwithstanding any other provisions of this or any other University publication, the University reserves the right to make changes in tuition, fees and other charges at any time such changes are deemed necessary by the University and the University System of Maryland Board of Regents. See umbc.edu/winter for updates.

HOW IS TUITION DETERMINED?

Winter session tuition is based on academic career (undergraduate or graduate), UMBC's standard credit hour tuition rates and Maryland residency. There are only two mandatory fees—so winter session fees are much lower than the fall and spring semesters.

BILL PAYMENT

E-bills are posted to myUMBC on the first day of the month after you register.

If the first day of the month falls on a weekend or holiday, E-bills are generated the next business day. Payment is due on the 20th day of the same month the E-bill is posted. Late fees are added to bills that are not paid by the 25th day of the month.

Bills are not mailed.

FINANCIAL AID

Pell Grant Eligibility

Pell Grant recipients who are enrolled for less than 12 credits in fall may be eligible for additional Pell Grant funds based on their combined fall and winter enrollment. Pell Grant recipients enrolled full time for the fall semester will receive their maximum Pell Grant and therefore, will not have additional eligibility based on winter enrollment.

Pell eligible students are encouraged to contact their financial aid counselor to discuss their fall and winter enrollment plans.

Federal Stafford Loan Eligibility

Students who enroll in fall and winter terms for less than 6 credit hours in either term may be eligible to use their combined enrollment for Federal Stafford Loan eligibility if the total combined enrollment is 6 credit hours or more.

Students are encouraged to contact their financial aid counselor to discuss winter and fall financial aid eligibility.

Visit **financialaid.umbc.edu** (under "Special Programs") or call 410-455-2387 for more information.

APPLY FOR A WINTER SCHOLARSHIP

The Office of Summer & Winter Programs awards full and partial scholarships to UMBC degree-seeking students who have a high GPA and are close to graduating. Financial need (determined by the 2016/2017 FAFSA) is also considered.

Full Scholarships

Full scholarships cover tuition for ONE winter session course (up to 4 credits) based on UMBC's in-state tuition rates:

Undergraduate Courses	Graduate Courses	
4 credit course: \$1,364	4 credit course: \$2,412	
3 credit course: \$1,023	3 credit course: \$1,809	
2 credit course: \$682	2 credit course: \$1,206	
1.5 credit course: \$512	1.5 credit course: \$905	
1 credit course: \$341	1 credit course: \$603	

Partial Scholarships

Partial scholarships cover HALF of the tuition for ONE winter session course (up to 4 credits) based on UMBC's in-state tuition rates:

Undergraduate Courses	Graduate Courses	
4 credit course: \$682	4 credit course: \$1,206	
3 credit course: \$512	3 credit course: \$905	
2 credit course: \$341	2 credit course: \$603	
1.5 credit course: \$256	1.5 credit course: \$453	
1 credit course: \$171	1 credit course: \$302	

Scholarships are competitively awarded – meeting the minimum qualifications **does not** guarantee a scholarship.

Students are responsible for any fees associated with the course and (if they are NOT classified as a Maryland resident) the remaining out-of-state tuition charges.

Apply by December 2

Visit **umbc.edu/winter** to review the scholarship eligibility requirements and complete the online application form. The deadline to apply is Friday, December 2, 2016 by 5 p.m.

FREQUENTLY ASKED QUESTIONS

How many credits can I take?

During winter session, you can earn up to 4.5 credits towards your degree.

Highly motivated/academically strong students who want to enroll in more than 4.5 credits must submit an Excess Credit Request Form. Permission to enroll in excess credits requires advanced approval from your primary major advisor and the Office of Academic and Pre-Professional Advising no later than December 15.

I've already taken a course twice...can I take it again?

Students may not register for a course more than two times. To be considered for a third and final attempt of a course, students may petition the Office of Undergraduate Education (OUE) no later than two weeks prior to the start of the course. Visit **academicpolicy.umbc.edu** to learn more.

Is on-campus housing available?

Students living in continuous occupancy, 9-month housing may remain on campus during January for winter session.

When can I order my textbooks?

Winter session textbooks are available in December at the UMBC Bookstore or can be ordered online.

January 10 is the last day textbooks (in the same condition as purchased) can be returned for a full refund with a sales receipt.

Are special accommodations available?

Student Disability Services (SDS) provides necessary accommodations to ensure all campus programs and services are accessible to enrolled UMBC students with disabilities. For more information, call 410 455-2459 or visit **sds.umbc.edu**.

Are parking permits required?

A valid UMBC permit is required to park on campus (cost is included in the winter session fee). Current students can use their 2016/2017 parking hangers.

Visit **umbc.edu/winter** to find all the information you'll need to have a successful winter session experience.

USE YOUR PHONE TO REGISTER

The winter session website is mobile friendly. You can easily search the schedule and register for classes on your smartphone or tablet. Visit **umbc.edu/winter** on a mobile device to access an easy-to-use mobile schedule of courses.

HYBRID COURSES

Hybrid courses (partially online/partially in-person) reduce the number of in-class meetings by replacing some in-person classes with online, out-of-class, or interactive learning activities. Hybrid courses require more independent learning on the part of the students and decrease trips to campus.

ONLINE COURSES

Online courses eliminate in-person class meetings entirely and move all learning experiences online, using web-based, multi-media resources, commercial software, and automatically evaluated assessments with guided feedback. Online courses require self-directed independent learning on the part of the student and eliminate trips to campus.
